To pass the rifle must lift the weight clear of the supporting surface and **suspend** the weight. The rifle will then be "jerked" upward to verify that the trigger falls. If the rifle cannot be made to lift and suspend the 4-½ pound weight, the competitor may perform the test. Rifles can be retried after failing until the time to weigh triggers has expired. Squadding: We will attempt to squad all High Masters on the same relay and we will attempt to squad all Masters on the same relay. This will not necessarily be on the first relay - Rule 11.6.7.

Targets: 200 yards - SR target, 300 yards - SR-3 target, 600 yards - MR-1 target. F-Class will shoot on the MR-1 FC target.

Weather: Matches will be fired regardless of mildly inclement weather. Severe weather may cause the Match Director to delay relays until the situation improves. If a match is cancelled due to inclement weather, an attempt will be made to reschedule it later in the week.

Zeros: You *must* have zeros for all yard lines you will shoot. Squaddered practice sessions are available: Monday, 3/1/2013, Wednesday 3/6/2013, and Monday 3/11/2013. Club Rule – Any non-accounted-for shots will cause the shooter to be removed from the firing line.
