Trigger will be weighed using NRA approved weight set bearing on the trigger while the rifle is held with its barrel vertical and slowly lifted straight up. To pass the rifle must lift the weight clear of the supporting surface and suspend the weight. The rifle will then be "jerked" upward to verify that the trigger falls. If the rifle cannot be made to lift and suspend the 4-½ pound weight, the competitor may perform the test. Rifles can be retried after failing until the time to weigh triggers has expired. Rifles may be sealed after weighing. The top 15% of finishers will be re-weighed after the match is completed.

## General Rules for All Matches

**Ammunition:** Any safe ammunition supplied by the competitor - Rule 3.17. Any ammunition that repeatedly blows primers or splits cases is unsafe and will not be permitted.

**Awards:** NRA Regional Medals for First, Second and Third Place by Rifle type. Cash prizes for place and category awards. The Line Officer will issue a warning to any competitor that is observed violating this policy. The second occurrence will immediately result in the shooter being disqualified from the remainder of that match. This is a Range Rule to prevent rounds from being launched over the berm.

**Brass and Trash Call:** There will be a brass and trash call after each relay change. All brass and trash are to be picked up by the competitor before he clears the line.

**Camping:** Limited dry camping is available on the range. Cost is \$10 a night for RVs or trailers with electricity. Tent camping, not requiring electricity, is free. Contact Terry at [floridaobr@gmail.com](mailto:floridaobr@gmail.com).

**Cancellation:** If a match is cancelled and not rescheduled, a refund will be given after all costs of all matches are paid.
